ECONOMICS 200 -- PRINCIPLES OF MICROECONOMICS
SPRING 2020

PROFESSOR -- DR. RICHARD A. BILAS

COURSE DESCRIPTION: The structure of the market is presented, including product and factor pricing, allocation of resources and distribution of income, market equilibrium analysis, and analysis of domestic and international problems and policies.

PREREQUISITE: 3 credit hours of Math.

SECTION 03: Meets Tu/Th 3:05 Tate 315

OFFICE HOURS: By appointment only at a time and place TBD.

The School of Business learning goals for this course are:

COMMUNICATION SKILLS: Students will demonstrate the ability to defend ideas in a cogent manner.

QUANTITATIVE FLUENCY: Students will demonstrate competency in logical reasoning.

GLOBAL AND CIVIC RESPONSIBILITY: Students will be able to identify and define social, ethical, environmental and economic challenges at local, national and international levels.

INTELLECTUAL INNOVATION AND CREATIVITY: Students will be able to demonstrate their resourcefulness addressing extemporaneous problems.

General education student learning outcome: Students apply social science concepts, models, and theories to explain human behavior, social interactions, and social institutions. These learning outcomes will be assessed by three exams given during the semester.

TEXT: McCONNELL AND BRUE, MICROECONOMICS, 21ST ED.
NOTE: The following is a tentative outline. It is dependent upon the ability of the class to grasp the material.

JAN 9 - 28 Economics, supply and demand and elasticity
   Chapters 1 - 6

JAN 30 – FEB 6 Costs of Production
   Chapter 9

FEB 11 REVIEW FOR EXAM 1

FEB 13 EXAM 1

FEB 18 GO OVER EXAM 1

FEB 20 – MAR 3 Pure Competition/Pure Monopoly
   Chapters 10 - 12

MAR 5 - 12 Oligopoly and Monopolistic Competition
   Chapters 13, 14

MAR 16 – 20 SPRING BREAK

MAR 24 REVIEW FOR EXAM 2

MAR 26 EXAM 2

MAR 31 GO OVER EXAM 2

APR 2 – 7 Resource Markets
   Chapters 16, 17, 18

APR 9 REVIEW FOR EXAM 3

APR 14 EXAM 3

APR 16 GO OVER EXAM 3

APR 21 NO CLASS
GRADING IS AS FOLLOWS:

Each exam is worth 100 points.

Improvement over the course of the semester will help raise your grade. The opposite is also true; if your grade falls over the course of the semester this will tend to lower your grade. The general education outcome assessment could influence your final grade by up to one-half a grade point. Additionally, attendance will be taken on a random basis. Each unexcused absence will lower your semester grade by one half grade.

GRADE SCALE:

100-93 = A  
92-90 =   A-  
89-87 =   B+  
86-84 =   B  
83-80 =   B-  
79-77 =   C+  
76-74 =   C  
73-70 =   C-  
69-67 =   D+  
66-64 =   D  
63-60 =   D-  
Below 60 = F

ABOUT THE PROFESSOR:

Dr. Bilas is a retired academician and bureaucrat. He spent twenty-five years as a university professor having taught at The University of Southern California, Georgia State University, The University of Colorado, California State University, Bakersfield, and The University of Oklahoma. At California State University, Bakersfield he held the E. C. Reid Professorship in Economics and at The University of Oklahoma he held the John A. and Donnie Brock Chair in Energy Economics and Policy. He is the author of three books and numerous articles in professional journals. In addition, he has been a radio talk show host, a television commentator and a contributor of
many op-ed pieces. Dr. Bilas also served two California Governors as a member of The California Energy Commission and The California Public Utilities Commission, serving from 1987 thru early 2002. He has an AB in Mathematics from Duke University and a Ph.D. in Economics from the University of Virginia. He is an Adjunct Professor of Economics at the College of Charleston and was a member of the Board of Directors of Drawing Near to God Ministry. He is an ordained minister in the Anglican Church in North America. Dr. Bilas was a member of the Advisory Board of Eco Friendly Energy – a California based company – until the end of 2015.

ADDITIONAL INFORMATION OF IMPORTANCE:

1. IN THIS COURSE YOU WILL BE STUDYING THE THEORY OF MARKETS AND HOW A MARKET ECONOMY WORKS. YOU WILL STUDY “WHAT IS” OR “WHAT WILL” BE BEFORE ATTEMPTING TO DECIDE “WHAT OUGHT TO BE”. YOU WILL BE EXPOSED TO IDEAS, CONCEPTS AND THEORIES THAT WILL BE OF CONSIDERABLE VALUE IN BUSINESS AND ECONOMIC DECISION MAKING. THE GOAL OF THIS COURSE, THEREFORE, IS TO WORK TOWARDS AN UNDERSTANDING OF THE VALUE OF THE COMPETITIVE MARKETPLACE IN ALLOCATING SOCIETY’S SCARCE RESOURCES.

2. YOU HAVE MY E-MAIL ADDRESS AND CELL PHONE NUMBER. CONTACT ME IF YOU HAVE QUESTIONS AND/OR NEED EXTRA HELP.

3. YOU ARE TO ABIDE BY THE HONOR CODE OF THE COLLEGE OF CHARLESTON. NOTE THE FOLLOWING: Lying, cheating, attempted cheating, and plagiarism are violations of our Honor Code that, when identified, are investigated. Each incident will be examined to determine the degree of deception involved.

Incidents where the instructor determines the student’s actions are related more to a misunderstanding will handled by the instructor. A
written intervention designed to help prevent the student from repeating the error will be given to the student. The intervention, submitted by form and signed both by the instructor and the student, will be forwarded to the Dean of Students and placed in the student’s file.

Cases of suspected academic dishonesty will be reported directly by the instructor and/or others having knowledge of the incident to the Dean of Students. A student found responsible by the Honor Board for academic dishonesty will receive a XF in the course, indicating failure of the course due to academic dishonesty. This grade will appear on the student’s transcript for two years after which the student may petition for the X to be expunged. The student may also be placed on disciplinary probation, suspended (temporary removal) or expelled (permanent removal) from the College by the Honor Board.

Students should be aware that unauthorized collaboration--working together without permission--is a form of cheating. Unless the instructor specifies that students can work together on an assignment, quiz and/or test, no collaboration during the completion of the assignment is permitted. Other forms of cheating include possessing or using an unauthorized study aid (which could include accessing information via a cell phone or computer), copying from others’ exams, fabricating data, and giving unauthorized assistance.

Research conducted and/or papers written for other classes cannot be used in whole or in part for any assignment in this class without obtaining prior permission from the instructor.

Students can find the complete Honor Code and all related processes in the Student Handbook http://deanofstudents.cofc.edu/honor-system/studenthandbook/

4. SNAP STUDENTS ARE TO SEE THE INSTRUCTOR AFTER THE FIRST CLASS.

Students approved for SNAP Services are instructed to meet with each of their professors during the first two weeks of classes or as
soon as they are approved for services to discuss accommodations and present a copy of their SNAP-issued Professor Notification Letter (PNL). Though it is the student’s responsibility to initiate discussion regarding accommodations that may be needed, an announcement on your syllabus or in class encouraging them to do so would be helpful. Students will feel more comfortable about identifying themselves as having a disability if they are approaching someone they believe to be receptive to the discussion. Such an invitation can go a long way toward encouraging students with a disability to approach the instructor early in the course.

Any student eligible for and needing accommodations because of a disability is requested to speak with me after class or see

Deborah Freil Mihal, MSW
Director, Center for Disability Services
A MEMBER OF THE DIVISION OF STUDENT AFFAIRS
Lightsey Center, Suite 104

**Center for Student Learning:** I encourage you to utilize the Center for Student Learning’s (CSL) academic support services for assistance in study strategies and course content. They offer tutoring, Supplemental Instruction, study skills appointments, and workshops. Students of all abilities have become more successful using these programs throughout their academic career and they are available to you at no additional cost. For more information regarding these services please visit the CSL website at [http://csl.cofc.edu](http://csl.cofc.edu) or call (843)953-5635.

**5. HOW TO SUCCEED IN THIS COURSE:**
Class lectures are important, but so is the textbook. Your success will depend greatly on your reading the assigned materials, listening to class lectures, and asking questions in class or privately to the professor. You cannot read Economics like you might read a novel. You must read slowly and digest every word. Do not be afraid to ask questions in class. A significant part of learning is accomplished by asking.
