As an MBA student, your goal is to land a fantastic job after graduation. Wondering what sorts of opportunities await you? Probably more than you think. **The CEO of one of Charleston’s fastest growing tech companies explains how it takes a team with a variety of skills, backgrounds and approaches to enable a tech company to succeed.**

Kevin Eichelberger is the Founder and CEO of Blue Acorn, a premiere eCommerce agency headquartered in Charleston, SC. An entrepreneur, business advisor and technologist, Kevin founded Blue Acorn in 2008 to help retailers achieve their eCommerce goals through a data-driven approach. The bootstrapped agency has since been recognized for three consecutive years on the Inc. 500|5000 list as one of the fastest-growing companies in the country, as well as one of the fastest growing, top-performing and best places to work in South Carolina.

When he is not immersing himself in eCommerce, Kevin helps grow Charleston’s tech community by serving as a mentor and advisor to startups through the Harbor Accelerator program. He has also served on the board of the Charleston Digital Corridor Foundation.
