Entrepreneurship, Management and Marketing Internships
Get Ready for the Real World with a Business Internship

Employers Love Interns!*  
80% of employers believe an internship is very effective in gaining critical business skills.  
70% of employers seek to hire students with relevant work experience.  
60% of interns were offered and accepted full-time employment by the company they interned with.  
*National Association of Credential Evaluation Services

Applying is as easy as 1-2-3!

1. Check requirements at Student Success Center.
2. Look for fun internships available now on Handshake.
3. Apply!

Internship FAQs
- Earn 3 credits for 10-20 hours per week (120-150 per term)
- Can be paid or unpaid
- May take the place of an elective course in your major
- Includes coursework complementing your day-to-day intern activities
- Must have completed at least 60 credit hours to be eligible
- Except for a few majors, internships are not required
- You can design your own internship – talk to your advisor
- Contact John McGrath with any questions at mcgrathjm@cofc.edu
